Guidance Notes for Completion of the Form

The Financial Services Act 2008 requires those undertaking money transmission services in or from the Island to be licensed by the Financial Supervision Commission (“the Commission”). However under the Financial Services (Exemption) Regulations 2009 a business with a turnover of less than £50,000 during the previous 12 calendar months, and which continues to have an annual turnover below £50,000, does not need to be licensed, provided it has notified the Commission that it is undertaking money transmission or electronic money services.

This notification form is to be completed by any business which intends to take advantage of the exemption from licensing due to having an annual turnover below £50,000.

Any business intending to commence money transmission or electronic money services must notify the Commission before doing so.

It is recommended that anyone completing this form should read and make themselves familiar with paragraphs 6.1 and 8.1 of the Financial Services (Exemption) Regulations 2009.

Please complete all sections of the form. Where something is not applicable please write “N/A” beside the question.

The form can be downloaded from our website in Microsoft Word format, with boxes that will expand to fit the text. Alternatively, the applicant can print the form and complete it in black ink.
